# S.S. MARIA THERESA

**SHE EXUDES THE SOPHISTICATION AND RESPLENDENCE OF ROYALTY.** This splendidly elegant ship cruises along the **DANUBE RIVER** boasting ultra-luxurious accommodations fit for Empress Maria Theresa herself. As a tribute to the only female ruler in the House of Habsburg, a 10-foot-tall, specially commissioned portrait of **S.S. MARIA THERESA'S** namesake hangs in the two-story foyer. She was voted "Best New River Ship" by Cruise Critic in her maiden season, and for good reason.

Thoughtful personal touches abound onboard, including décor inspired by the time period in which Maria Theresa reigned. Her interiors exhibit colorful silk-clad walls, a Murano glass chandelier located in the lobby, over-the-top window treatments, eye-catching patterns in every room, a collection of hand-painted coronets and a mosaic-tiled enclosed swimming pool—just to name a few. Original artwork throughout includes works by Frederik Bloemaert, a Dutch engraver and printmaker. *Travel like royalty on this floating masterpiece.*
